

Taking new NDIS participants now — across Melbourne's inner north.

An Ascot Vale registered provider with immediate capacity, a consistent named support worker, and a fast, honest intake. If you are placing a participant, we have room this month.

WHY COORDINATORS REFER TO TAYO

Real availability

Immediate capacity — we can take new participants this month, not after a waitlist.

The same worker, every visit

A consistent, named support worker for each participant — not a rotating roster.

Fast, honest intake

A callback within one business day and a written service agreement upfront.

Local team

A real team based at our Ascot Vale office — people who answer and call back.
